OUR FAMILY'S STORY

Bitar's is not just an award winning specialty food store & restaurant - it's a family. When the Bitar's found that their Middle Eastern neighborhood had no ethnic food market, Elias & Mariette Bitar opened a small shop & Pita bakery on the corner of 10th & Federal Streets to cater to the community.

Now, over 45 years later, that corner store has become a major supplier to the best chefs in Philadelphia, while we continue to serve our neighbors from the Middle East & all Philadelphians interested in the wonderful flavors of the Middle East.
